Reducing the voting age

Elections on 10 and 17 May and a call in February

Hussein Qutaysh

Dates of the holding of parliamentary elections approaching, it is natural that the Minister of the Interior Ministry forces to familiarize themselves with these dates, which must remind candidates and voters from time to time. It would be useful to mention here that this concerned the dates. The mandate of the current House of Representatives expires in June 20, 2009 and wishes of staff, who determined the law to prevent them from running unless the resignation six months ago to come to submit his resignation before December 20 this after about two weeks from now, which should have been The Interior Ministry to draw attention to him.

If there was a decision of principle to bring the date to June from the electoral process before the autumn and summer, is supposed to go on Sunday, May 10 or May 17 on Sunday of May falls on May 24 on May 25, and the day when election fraud.

And if we and everyone agree on May 17, the decree calling for electing the law to be issued before the date of the electoral process on May 17. Article 49 of the Act for no more than sixty days from the date of the March and thus to the candidates

One month to submit their nominations by February 17 and ending on 17

Those dates are no longer far, approved by the Ministry of Interior in explanatory statements from the candidates - and voters in order that each of those will be on the same conditions, particularly in law and many other conditions, such as related spending and advertising and others. Here we must draw the attention of the Minister of Interior to the new law that has been published and announced in the Official Gazette. It is contented published in the Official Gazette such a law should have been published

It is most important is to be resolved quickly set the date for the elections.

Todhih well and continues in tl time is still available for such v Urgently.
